Video Clip Information (If included)

If you wish to insert a video clip in your slideshow, I will need to know what the video clip is and if you want it inserted as if it were simply another photo with the audio replaced by your music choice in the designated segment. Please indicate if you want the original audio used instead. Also, if editing is required, please indicate where the stop and start points are in the video clip. (Note: Video must be in a digital format such as MPEG, AVI, MOV, QT)

Video file name	Video Clip Start Point (hh:mm:ss)	Video Clip Stop Point (hh:mm:ss)

DVD Chapters

Chapters let you skip to various sections of your DVD in a random access fashion. Each chapter should have a short name that will appear on the menu screen. (For example; Engagement, Wedding, Reception, Etc.)

Note: Chapters are not included in the package price, but can be included as an "add-on" for \$3.00 each
